KMA

Musical Instruments

are expensive and intricate machines that require lots of loving care and constant attention. At KMA we are proud to offer 26 different instruments to our children which form an integral part of the options we can provide to all our young musicians. If you have an instrument that you no longer play, we would love to put it good use. Please be kind enough to have it serviced so that our children can immediately enjoy playing it.

It is quite a challenge for us to keep all our instruments in good repair yet we know that when a child receives a treasured and cared for instrument, they treasure and care for it too. Our pupils delight in the promise their instruments hold.

All instruments
are welcome:

Saxophones
Trumpets
Electric Guitars
Violins
Cellos
Violas
Clarinets
Electric Basses
Drum kits
